

Dear Badminton Europe,

I am writing to express my interest in applying for the „BWF Coach Educational Level 1 Course” being held in Oviedo, Spain. As an avid badminton enthusiast and a former competitive athlete, I am confident that I would be a great addition to the course. I am eager to take this opportunity to learn the basics of badminton coaching and to improve my skills.

I have been playing badminton for the past 10 years and have been coaching for the last year at “Badmintono Centras” in Vilnius, Lithuania. I have not only developed the necessary skills to excel in the sport, but I have also gained a deep understanding of the strategy and techniques involved in the game. I have a strong work ethic and a passion for the sport that will ensure I make the most of this course.

Furthermore, I am passionate about teaching and coaching, and I believe that my enthusiasm and dedication to the sport would be an invaluable asset to the badminton community. With my expertise, I am confident that I can help badminton players gain an in-depth understanding of badminton, as well as the confidence to take their skills to the next level. I am excited to have the opportunity to learn from professionals and to share my knowledge with others.

Thank you for your consideration, and I look forward hearing from you.

Sincerely,

Kornelija Urbonavičiūtė
