Hey myself
NITESH YADAV ,

I was a professional badminton player and currently coach from India 🇮🇳 and currently working in VILNIUS 🇱🇹 under UNDER CAPITAL BADMINTON CLUB as HEAD COACH (SINGLES) HIGH PERFORMANCE DEVELOPMENT.

In total I have coaching experience around 5-6 years in which I have trained many national champions and international players from India and inspite of that i was a sparring partner for MR. CHETAN ANAND former WORLD NO -10 AND COMMONWEALTH GAMES MEDALIST .

Many of my students have won nationals titles in all junior age groups from U 13 to U 19 and one of my student have won the SOUTH ASIAN GAMES 2019 held at MALDIVES that was big boost for me to perform more better in coaching field .

So after that i have pursued ONE YEAR ON FIELD DIPLOMA IN SPORTS COACHING (BADMINTON) from ASIA'S Largest sports Institute NATIONAL INSTITUTE OF SPORTS in INDIA

Where we deeply studied on badminton and other related sports science subjects that can help a player to improve steadily and also helped me to gain knowledge as a badminton coach .

And there are other good courses that are conducted by BADMINTON WORLD FEDERATION like the coaching course.

I also want to study them deeply and improve my knowledge as a coach and also wanted to share my experience with them so we all can learn something new and wonderful from each other and can contribute to this sport all around the world and develop it world wide and spread best of our experience and knowledge to the players, coaches and audience.

Thanks
Nitesh yadav
